THE HALL
SCILLY

Dear guests,

Firstly, thank you for choosing to dine with us at The Hall Restaurant. The last few months have been a strange time for everyone, and we are looking forward to serving you our delicious food and drinks in a safe and relaxed environment.

As well as our recent refurbishment and rebranding for summer 2020 (we hope you like our new look), we have made a series of changes to ensure that The Hall is now Covid-Secure.

To help minimise physical contact, reduce the potential spread of the Covid-19 virus and keep everyone as safe as possible, we have introduced the following:

- Strict time-slots are allocated for meals
- Tables are limited and must be reserved in advance
- The tables in-use are 2 metres apart or separated by a partition wall
- All tables and surfaces are cleaned more frequently
- Hand sanitiser stations are set-up in the entrance and each dining room
- Waiters are wearing face masks
- Waiters are washing their hands more frequently
- The time spent at tables by waiters is kept to a minimum
- The bar area is currently closed and drinks are only served to tables
- We are using the door next to reception as the entrance and the bar terrace door as the exit
- A one-way system is clearly marked out with arrows on the floor
- Payments are currently cashless

We really appreciate your understanding and cooperation at this time and ask you to please assist us by:

- Reserving your table in advance via phone, email or Facebook
- Reading the information notices displayed around the Restaurant
- Using the hand sanitiser provided on arrival and before you leave
- Staying a safe distance away from other people
- Following the one-way system as you move around the Restaurant
- Not entering the Restaurant if you feel unwell
- Speaking to staff if you need further information or you feel unsafe at any time

A copy of The Hall Restaurant Covid-19 Risk Assessment is available on request. Thank you again and we very much hope you have a wonderful meal with us.
